

Inclusion Newsletter Summer 1 2024

Please look at some of the wonderful work we have been doing this half term.

(Above) Thomas working well in his group in maths to measure in millilitres.

(Left) Kian and Jake showed great teamwork on a recent trip to Cliffe Castle.

(Below) Zachary planting his 'magic bean' like the one in Jack and the Beanstalk.

(Below) Summer is enjoying sewing her teddy. It helps her to regulate.

(Above) Jake is using ear defenders and his wobble cushion whilst he uses Clicker 8 to support his writing.

(Right) Lillie-Grace is working hard in reading sessions.

SEND / Additional Needs Parents' Evening

We will host meetings with you and your children to review targets on personal learning plans w/c 24th June. Further information will follow.

Star Children

These children have particularly impressed their teachers this half term, responding well to the extra help they are given in school.

Horizons – George and Harley are our superstars for having the resilience with SATs preparation and to remain their usual happy and cheerful selves.

Nursery – Benjamin is trying really hard with the pronunciation of initial sounds when taking part in his speech therapy activities.

Reception – Navan is a superstar because he has now completed phase 2 set 1 phonics and is making progress with the next set.

Morgen can now write his name and is working on phase 2 set 3 phonics, which is brilliant progress.

Year 1 – Onnaleigh knows all the phase phonics 3 sounds and is progressing very well with her reading and writing because of this.

Year 2 – Thomas has impressed his teachers with the improvements in the presentation of his work. He has also been working well with others in his group.

Year 3 – Lillie-Grace is working hard to read independently using her phonics to decode.

Year 4 – Finley's attitude towards learning has improved massively. He uses his portable regulation tools to help him when he is frustrated. He has worked extremely hard to learn his time tables and now can score 25 out of 25 regularly.

Year 5 – Jake is our superstar for increased engagement. He has graduated from phonics and is more independent in maths lessons.

Year 6 – Our superstars are Millie and Ella. Millie is using her overlay and having a positive attitude towards her SATs and transition to secondary school. Ella is independently using her checklist at home and school to ensure she has everything she needs for every day.
