Subject: Notice regarding small change to movement around the school site

Dear Parents and Carers

We are writing to let you know about a small change to movement around the school site.

We are pleased to confirm that part of the staff car park has now been handed back for staff use. As a result of this, the Foundation Stage outdoor classroom will no longer be used as a walkway or through-route across the school.

Closing this area as a pathway will allow staff time and space to set up and maintain the outdoor learning environment effectively, ensuring it is safe, purposeful and ready for the children to enjoy each day. This outdoor classroom is an important part of our Foundation Stage provision and supports high-quality learning through play and exploration.

We kindly ask parents and carers to use the designated paths around the school site and not to walk through the Foundation Stage outdoor area at any time.

Thank you for your continued support and cooperation in helping us provide the best possible learning environment for our children.

If you have any questions, please do not hesitate to contact the school office.

Yours sincerely

Chris Lloyd,

Headteacher
