Year 3's Amazing New Classroom!

Here are some photos of our reading area in our newly refurbished classroom!

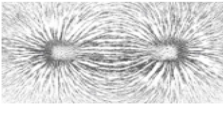

What are we learning about this term?

In English, we are learning how to describe a setting. Using *The Wild Robot* as our inspiration, we will create and describe a brand-new setting for Roz the robot, using rich vocabulary and descriptive language to bring our ideas to life.

In Maths, we will be exploring place value within 1,000. We will learn to read, write, compare and order numbers, and use our understanding of hundreds, tens and ones to solve problems and carry out calculations confidently.

In Science, we will be learning about the human body, including the skeleton and muscles. We will explore how different parts of the body work together to help us move, support us, and protect our organs.

Year 3 County Explorers			
Science We are learning about animals and humans. We will be looking at the food groups, thinking about how to create healthy dinners and discussing the digestive system. 		In Computing sessions, we will be learning about coding. 	
RE We are comparing Christianity and Islam 	Geography In Geography we will investigate the capital cities, counties and landmarks within the UK, using compass points to describe directions between cities. We will compare the counties of Yorkshire and Cornwall, looking at the physical and human Geography. We will then create a tourism video of why people should visit Yorkshire.		
Our place in the world: We are learning about different cities and counties across the UK and the similarities and differences between them.	Fresh Experiences: We are looking at different opportunities that can take us around the country. We will show our tourism video to Year 2.	Possibilities: We will look at a wide range of possibilities around the world in terms of different careers including travel agents.	Equality and Diversity: We are learning about celebrating differences between ourselves and others. We are remembering to be proud of our differences. We are looking at what it means to be part of a community and groups.

Reading at Holybrook

We will read every day in Year 3 to build up our reading fluency. Please also keep up with your practice at home.

Library days – Our library day is **Wednesday** so please bring your library book to be changed.

Our class is reading *The Wild Robot* by Peter Brown. At the end of every day, we are also reading *The Nothing to See Here Hotel* by Steven Butler.

Maths at Holybrook

Key facts we are targeting are:

2x, 4x and 8x tables.

Homework

An overview of homework is being sent out with exciting homework activities for this half-term.

PE

PE this half term will be taking place on Monday morning and Thursday afternoon, please remember to bring your PE kits on the correct days.

The Year 3 team is:

- Mrs Ciesielski
- Miss Wardman
- Miss Lee
- Miss Cookson

Year 3's Attendance

Regular attendance is essential for every child's success. Being in school every day helps pupils build strong learning habits, keep up with the curriculum, and develop social and emotional skills. Missing lessons can make it harder to catch up and can affect progress over time. By working together to ensure good attendance, we give every child the best chance to achieve their potential. School starts at 8.45am.

Current Whole-School Attendance: 95.3%

Year 3 Attendance: 97.7%

Target Attendance: 98%

Every school day counts

100% Attendance	Superb!
97% Attendance	Good
95% Attendance	Slight concern
90% Attendance	Very concerned
85% Attendance	Local authority intervention

Lateness=Lost Learning		
5 minutes late each day	=	3 days of learning lost
10 minutes late each day	=	6.5 days of learning lost
15 minutes late each day	=	10 days of learning lost
20 minutes late each day	=	13 days of learning lost
30 minutes late each day	=	19 days of learning lost
Our school day, and lessons, start at 8.45am
