

Primary PE Funding Statement – September 2020

The Government wants the Sports Funding to be used in a way so that physical education (PE) in primary schools is improved by: increasing participation, involving the least active, improving resources and improving how PE is taught. The funding can also be used to promote a healthier lifestyle. It is hoped that the funding will leave a legacy, once the funding has been withdrawn, of healthier and fitter children who are more interested in sporting activities.

PE at Holybrook

For the academic year 2020-2021, Holybrook Primary School received £17,700 to spend on improving the quality of sport and PE for all of their children. The five key indicators where improvement should be seen are:

1. The engagement of all pupils in regular physical activity, aiming for at least 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The aims and objectives of our Physical Education Curriculum have been carefully selected to ensure that children progress their physical skills year upon year. Children have the opportunity to excel in a range of sports and reach their full potential. They learn new skills whilst developing ones previously taught and go on to apply these in competitive games. We understand that teamwork is the foundation of any group sport and is at the very core of our curriculum. Children also develop knowledge of how their bodies change during physical activity and learn how to live a healthy and active lifestyle. We ensure that all children are able to take part in Physical Education and have confidence that with our broad curriculum, Sports Premium Funding Report 2020 they will find sports that they are passionate about. This funding allows us to successfully achieve these goals which benefits individuals and school as well as our community and nation.

We believe that every child has a right to the very best possible learning experiences and that everyone can succeed. At Holybrook we have always believed that we want our children to attain the highest standards in all that they do and become well rounded, healthy individuals. We believe that PE and school sport have a vital role to play in helping us to achieve our aims for our pupils. These important aspects of our curriculum teach our children to work together, enjoy and value competitive activities and develop a clear understanding of the importance of PE in ensuring their long-term health and well-being.

At Holybrook we value that sport and PE provide a great baseline for an active and healthy future, emphasising the importance of physical health and emotional wellbeing of our children. We are dedicated to raising standards in PE and ensuring that more children are becoming active and engaged in a multitude of sports. We strongly feel that a fun, varied and competitive PE curriculum and extra-curricular sporting activities have a positive influence on all children.

As part of our Holybrook curriculum we plan and deliver a curriculum that includes 2 hours of PE for each child within the school week. Where possible, PE is taught as part of the creative curriculum theme linking to other curriculum areas, for example our pupils in Year 1 took part in a dance unit of work based on The Lion King linked to the topic paws, claws and whiskers they were studying.

We have also designed an extra-curricular timetable which places a strong emphasis on PE and sporting activities during school hours and after school hours. This includes football, cricket, multi-skills, tennis and table tennis.

Below is a breakdown of:

- How much funding Holybrook Primary School has received
- A full breakdown of how we've spent the funding or will spend the funding
- The effect of the premium on pupils' PE and sport participation and attainment

Funding received			
Total amount received: £17,700			
Objectives of spending the PE grant:			
<ul style="list-style-type: none"> • Develop or add to the physical activity and sport activities • Improve resources to support PE, including transport and equipment • hire qualified sports coaches to work with teachers to enhance or extend current opportunities • enter or run more sport competitions • embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching 			
Objective:	Activity:	Cost:	Impact:
<ul style="list-style-type: none"> • LAP sports investment for competitions: 	<ul style="list-style-type: none"> • Working alongside the other schools in our LAP to develop increased sports competitions across the schools. • Gifted & talented and more able children are given the opportunity to improve and practise with other children in the area 	£1550	
<ul style="list-style-type: none"> • Pupil Play Sports Leaders: 	<ul style="list-style-type: none"> • Introduction of the Play Maker Award through which our pupils will be trained to become sports leaders in our school and as such increase participation in and enjoyment of sports at playtimes, lunchtimes and after school 	£1,000	
<ul style="list-style-type: none"> • After school clubs: 	<ul style="list-style-type: none"> • A variety of after school sports clubs we offer in school across the key stages in order to develop participation in and a love for a sport from an early age. We have a cycling club running for all key stages. Pupils level of enjoyment 	£2,500	

	<p>increases and means they can access highly enjoyable after-school clubs no matter what age. These are very popular and means we will be able to participate in LAP sports festivals increasing their confidence, level of skill and fitness.</p>		
<ul style="list-style-type: none"> • Swimming lessons: 	<ul style="list-style-type: none"> • Year 5 children take part in weekly swimming lessons at the local swimming pool which includes funding , pupil tests and badges 	£2,750	
<ul style="list-style-type: none"> • Develop or add to the physical activity and sport activities 	<ul style="list-style-type: none"> • Year 6 residential (Ingleborough Hall and Nell bank including activities such as high ropes, raft building, orienteering, climbing and canoeing) 	£3000	
<ul style="list-style-type: none"> • PE equipment and replacement of resources • Lunchtime equipment and games: 	<ul style="list-style-type: none"> • To support our balanced PE curriculum a stock order of existing PE equipment and new resources order to link in with our new curriculum, for example skipping ropes to support the new skipping project. • Purchase new games for playtimes, including lanyards for the children 	£2000	
<ul style="list-style-type: none"> • Skipping School inset and theme days: 	<ul style="list-style-type: none"> • To encourage every child in the school to learn new skills individually, in teams and as a class. We are working with 'The Skipping School' who are supporting and delivering workshops with children and training teachers and support staff. 	£600	
<ul style="list-style-type: none"> • Staff PE Kits and children's T-shirts: 	<ul style="list-style-type: none"> • Purchase PE kits for use staff to use while teaching PE. This will raise the profile of PE and encourage pupils to understand importance of appropriate dress as regards health and safety considerations. 	£500	

	<ul style="list-style-type: none"> • Purchase PE kits for all children in the school colours with the school logo to further enhance the profile of sports in school. 		
<ul style="list-style-type: none"> • Sports Day: 	<ul style="list-style-type: none"> • Sports days to include a wider range of sports activities aimed at developing a range of skills and sportsmanship and identifying talent. Our sports days will also provide the opportunity for pupils to use and apply their maths skills 	£500

We will be using the funding to increase the PE activities available to our children during this event whilst exposing the children to healthy lifestyle choices 	£500	
<ul style="list-style-type: none"> • Development of Foundation Stage outdoor provision 	<ul style="list-style-type: none"> • Development of Horizons (Resourced Provision) outdoor provision 	£7,000	
<ul style="list-style-type: none"> • Staff release 	<ul style="list-style-type: none"> • Attend PE networking meetings to plan for tournaments 	£500	
<ul style="list-style-type: none"> • PHSE week – 	<ul style="list-style-type: none"> • PSHCE week – focus all teaching and learning on matters related to personal health and wellbeing. 	£1000	
<ul style="list-style-type: none"> • Transport costs: 	<ul style="list-style-type: none"> • Upkeep of transport to take children to and from tournaments, swimming and local activities 	£150	

At Holybrook we have welcomed the PE funding as it is enabling us to further develop sustainable high quality PE for our pupils, leading to positive outcomes for them and our community as a whole. We look forward to seeing a continuing increase in the participation of our pupils in competitive sporting activities both within the LAP and across the district. The total spend is £23,550 for Holybrook Primary School.

PE Funding Focus for 2020-2021

- Continue to fund additional after school PE/sports clubs
- Continue to participate in inter school competitions and increase the success in competitive school sports.
- To improve the partnership work on physical education with other local schools.
- Continue to target younger children and children who would benefit from additional exercise.
- Continue to improve teacher knowledge and skills in gymnastics; particularly newly qualified and recently qualified teachers who have joined Holybrook recently.
